Bannockburn News

September 23rd 2011

BANNOCKBURN
Primary School

Local History Talk

Many thanks to those parents and children who attended our local history talk led by Francis Ward from the Heritage Centre last night. We had over 30 people attend and it really was a fascinating evening.

We found out that the name Plumstead originates from the fact that plums used to be grown in large orchards across the area. We also learnt that until 1967, Plumstead was home to a world famous motor cycle factory!

Many thanks to Friends of Bannockburn and Debbie O'Boyle for organising the evening and supplying refreshments.

Names on Clothes

Don't forget to ensure you place your child's name on any items of clothing being worn to school. We are finding it very difficult to return jumpers to children when the names are not marked.

Milk Request for Years 1 - 6

Closing date for milk requests this term is Wednesday 5th September. The cost will be £5.20 for the term.

Please refer to the letter sent home last week.

Roving Report—The Great Fire of London

In Juniper Tree Class, children have been learning about the Great Fire of London.

Soriah said "I have enjoyed learning about the Great Fire of London. I found out that when that baker forgot to turn of the oven. Then fire spread all over London."

Manhoor added that "I like our new school because it is fun. everything for me had changed. In my old school I didn't get to take the register but now I do."

Music Lessons

We wanted to inform parents that the children have spoken very positively about music with Mr Eastwood, our new music teacher. Lots of children have commented about how fun the lessons are and how much they are enjoying learning music.

Mr Eastwood will be working with children from the Manor Way site to deliver music but not until January when more spaces will be available.

Morrisons Lets Grow Vouchers

We are now collecting these vouchers. Please send them in and support your school.

ATTENDANCE

Best class attendance for last week goes to:
Hazel Tree Class for KS1
Acer Tree Class for KS2

MERITS

BEECH
Milsha Chipalu Shrestha
