Sponsoring a Guide Dog

A group of children from across both sites were chosen to discuss and select which Guide Dog they would like the school to sponsor.

The children showed the true value of empathy and could not select just one dog to sponsor, so the school will be sponsoring four puppies, one for each house team. The dogs selected so far are Oscar, Daisy & Bella. The fourth puppy will be named in July.

Parent Governor

I just want to take a minute and thank everyone who elected me to a second term as a parent governor; it's an honour to represent the school in this capacity.

I recently assisted in the International Evening, which was a beautiful opportunity for everyone to share and experience other cultures. I am proud that the school provides these opportunities as it means our children becoming accepting of others and normalise diversity. I was also amazed by the level of talent and confidence the children had during the performances and want to say a huge well done to all who contributed.

I also took part in the schools fun run and what a challenge that was! The support from the community, parents and teachers was immense and it was clear the children who took part thoroughly enjoyed it.

All the activities I have been involved in highlight the level of commitment our teachers show to our children's overall experience in their primary years and I would like to say a massive thank you!
