Safer Internet Day this year followed the theme "Together for a better internet"

The children across both sites looked at ways to be safe online and also the responsibilities of everyone that uses the internet.

*Please help your children to be safe by making sure that they are not accessing social media sites underage and by asking in school if you are unsure. Children should **not** be using any social media messaaina until 13+.*

OPEN AFTERNOON REPORT – THURSDAY 14TH FEBRUARY 2019 ROBERT YOUNG – CHAIR OF GOVERNORS.

It was a particular pleasure to experience the wider curriculum in action and to get a sense of the school's strong commitment to a challenging curriculum which goes way beyond the cultivation of the core skills, embracing, for example, drawing and debating skills, modern languages and dramatic expression. The processes of learning are not narrowly conceived at Bannockburn but are part of a rich tapestry of experiences that are enmeshed with values as well as the social dimension of development.

I am delighted that the outcome of the Enhanced Values assessment is a positive one. But no more than the school deserve!

Bannockburn is now 1 of 15 schools worldwide with the Enhanced Values Mark.

London Symphony Orchestra

On Monday, Year 4 went to see the London Symphony Orchestra for a special schools concert at the Barbican Centre in London.

This year the music was all based on Fantasy and Folk tales from Scandinavia and the Faroe Isles.

The children learnt a song - 'Folk Song and Fantasy' which was written especially for the concert. The concert featured music which rarely gets played in the UK.
